Re: Shirley Wrubel, as Trustee of the Sara Hollander Irrevocable Life Insurance Trust v. John Hancock Life Insurance Company,
Docket No. 11-cv-01873 (WKF) (LB)

Dear Magistrate Judge Bloom:

We, Reliable Reporting Services, Inc. ("RRS"), are representing ourselves as a non-party in the case noted above. We have been subpoenaed by the attorney of the plaintiff in this case. We respectfully request this Court quash the subpoena under Rule 45(c)(3)(A)(ii) of the Federal Rules of Civil Procedure. The subpoena commanded we produce documents and to appear for deposition at the offices of Lipsius-BenHaim Law LLP in Kew Gardens, New York. As our office is located at 1870 Starkey Road Suite #2 Largo Florida 33771, this places us well outside of the 100 mile limit.

In addition to the above request please note, although we did previously perform services for the defendant John Hancock Life Insurance Company ("John Hancock"), we did not provide any services to John Hancock in respect to the applications for insurance for Sara Hollander or any persons defined under Schedule A of the subpoena. Any information John Hancock received and used in the determination for insuring Sara Hollander was not received from RRS. RRS has ceased in providing services to John Hancock as of October of 2009.

Respectfully submitted,

A handwritten signature in cursive script that reads "Nancy Wright".
